

LE PETIT RÉAL

THE OFFICIAL PUBLICATION OF THE "RÉAL CÔTÉ" CHAPTER
IPMS Canada affiliated Chapter

<http://www.ipmsrealcote.com>

Special Edition

What is IPMS?

I.P.M.S. is the acronym of the International Plastic Modelers Society. This society connects several model clubs from many countries and allows them to share our hobby throughout the world. Our club, the "Réal Côté" chapter, is one of many clubs associated with IPMS Canada.

Welcome to our club!

The IPMS Réal Côté chapter (pronounced "ray-al co-tay") is open to all scale modellers who wish to share their passion with other modellers from the Montreal region and even from around the world.

As a matter of fact, we regularly receive visits from other IPMS Canada and USA chapters, even from overseas!

All aspects of scale modeling are represented within our chapter. We have members who build aircraft (civilian and military), cars, armoured vehicles, figurines, ships, spacecraft and science-fiction subjects. We like anything that can be assembled, glued and painted to create miniature versions, in all scales, of things that fuel our dreams.

Each month, we meet in a local Community center classroom in Montreal. We usually show our latest projects, may they be works in progress or completed models.

At these meetings we also share loads of information to help each other with our projects. Documentation, photos, modeling tricks, upcoming events, new models acquired by our members, etc.

We produce a monthly newsletter that is handed out at our meetings and emailed to all members. This newsletter, named "Le Petit Réal", centers on our club and its members. It documents our activities and provides a medium for us to share anecdotes, stories and other worthwhile tidbits.

We also have a Web site, a discussion forum and a Facebook Fanpage where you can find, for instance, information on upcoming scale model competitions and related events.

<http://www.ipmsrealcote.com>

Some of us present our work in major hobby shows in and around the Montreal area, sometimes even farther!

Our club finances itself solely through voluntary contributions from our members.

You are welcome to visit us anytime, no matter your experience level or the subjects that interest you in this great hobby.

Although this is usually a solitary hobby, being able to meet with others and show our work is a worthwhile experience that enriches us and

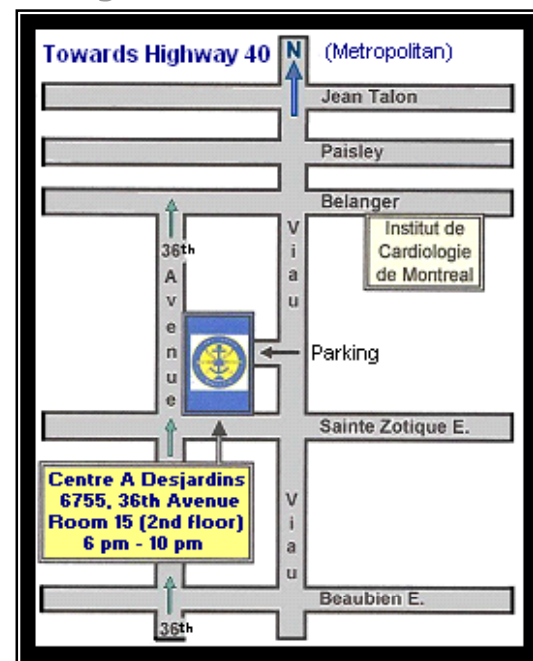

helps us share and learn from each other.

The IPMS Réal Côté team

Our Next Meeting:

Our meetings are held on the **3rd Friday of each month***, from 6 pm to 10 pm, at the Centre A Desjardins, 6755 36th Avenue, Montreal, room 15 (2nd floor).

To get to the Centre:

Our Twin Club

We are twinned with an IPMS France chapter:

<http://www.ckclub.org/>

*** The Centre is closed in the summer, so meetings are held elsewhere in July and August. Visit our Web site to find out where to go.**
